Sorry! Something went wrong Is your network connection unstable or browser outdated? Afara e frig, dar in camera dumneavoastra, un mic si neglijabil spatiu in care va desfasurati activitatea e cald. De ce să ne obosim atât acum când afară e frig, plouă, soarele apune mai devreme și iarnă stă să-și facă simțită apariția? Why make such an effort now, when it is getting cold and rainy, when the sun sets early and winter is knocking on our doors? Wait a moment and try again. No results found for this meaning. Outside it's cold, it's freezing, but in your souls is a great joy. It's warm to go back home when outside it's cold, și m-ai lăsat?Tu nu ai vrut să mă înțelegi,Și ți-a fost mai ușor să pleci.De ce ai plecat... îndurerat.Retren:Plouă, afară e frig,Și totul s-a sfârșitDe când m-ai părăsit.Iar plouă...afară e frigȘi totul s-a sfârșitDe când m-ai părăsit.Mi-aduc aminte când spuneaiCă doar pe mine tu mă ai.Tu mă ai... Returning to the outfit of the day: even in winter when outside is cold, we wish look more beautiful and stylish. Outside it is cold, but in your room, a small, negligible space in which you go about, it's warm. Revenind la tinuta de astăzi: chiar si pe timp de iarna, cand afara e frig, ne dorim să fim frumoase și stilate. Asa ca acum cand ne trezim de dimineata si afara e frig, ne luam amandoi halatele peste pijamale, ca sa "semanam", cum imi spune Vlad. Afara e frig, e ger, dar la voi e bucurie mare. Chiar dacă afară e frig, păstrează-ți stilul și eleganța. But in fact, we are already in January, outside it's cold and snowy, and as you've figured out, these photos date back to December 2017.
